#### President's Message

First, thank you to those who have sent me their comments regarding the motor home issue. I can't receive too many so please keep them coming to me all the way to January 8<sup>th</sup> when we arrive in Hattiesburg, Mississippi.

Next, I'd like to explain the process that will be followed for the motor home issue. Last summer in Du Quoin, the IBT (International Board of Trustees, on which I, your region president, sits) voted to send the original motion to the delegates next summer (2012) in Sedalia, MO.

Our club has a 1) Constitution, which defines how our club is organized, i.e. member qualifications, officers, meetings, voting, and 2) Bylaws/Policies gives the details on how our club functions. The only way our Constitution can be changed is by our representative body which is our delegates (a representative from each unit within WBCCI) who meet each summer at the International Rally. The IBT can make changes only to the Bylaws/Policies.

The motor home issue is asking for a change to the Constitution Article VI, Section 2 which defines "a regular member" and states that a member can retain their membership when they sell their Airstream if they do not own another RV (such as when members retire from traveling but want to stay in the Club).

Last July the IBT created a motion that, if passed by the delegates, would allow that Thor motor home owners could become WBCCI members by adding another paragraph in Section 2 stating: "Regular members who are Life Time Members may, upon request, retain their membership as Regular Members if they replace their Airstream manufactured recreational vehicle with a Class A motor home manufactured by a division of Thor Industries, Inc., the parent company of Airstream, Inc."

The rationale to this motion was: "We are losing members as their Airstream motor homes age and become no longer road worthy. Not being able to purchase a qualified motor home they may choose to purchase another brand and drop their membership. If they are Life Members it would be a commitment to WBCCI."

Now an amendment to this motion will come for vote at our IBT meeting in Hattiesburg which states: "Any regular members may, upon request, retain their membership as Regular Members if they replace their Airstream manufactured recreational vehicle with a Class A motor home manufactured by a division of Thor Industries, Inc. the parent company of Airstream, Inc. Also any person who owns such a Class A motor home may apply for membership in WBCCI."

Rationale to this amendment is: "We are losing members as their Airstream Motor homes age and become no longer road worthy. Not being able to purchase a qualified motor home they may choose to purchase another brand and drop their membership. Also we could get new members if they own a qualified Class A motor home."

Continued on Pg 2"

PRESIDENT'S MESSAGE CONTINUED

I've been receiving messages from our Region 12 members, and members from across the country, for both sides of this issue with the large majority leaning towards remaining Airstream only. As of now, I will vote down the amendment because all Thor motor homes will be allowed membership to WBCCI if this passes. I understand there is a club for Thor motor home owners and no other brands are allowed, even Airstreams. I don't believe that going after other brands is our solution to membership... recruitment of Airstream owners is.

I'd still like to hear from each of you on both sides of the issue, even if you have replied before. Remember that we have a great Club and whatever happens with this issue will not change that. So grab a Christmas cookie with a cup of hot cider, sit down at your computer and send me an email.

I hope each of you had a fantastic, healthy holiday season with many friends and family to share it all. Looking forward to seeing many of you at the Hobo Rally or at a rally somewhere down the road.

Judy

Happy new Year!

**INTERNATIONAL BOARD OF TRUSTEES (IBT) MID-WINTER MEETING**

The upcoming mid-winter IBT meeting will be in Hattiesburg, Mississippi. This meeting will be streamed and you are invited to go to <http://WBCCI.primcast.com/WBCCI> to listen to the discussion and actions taken by your officers. The seminar is Tuesday January 10th, 2012 and the IBT meeting is Friday January 13th, 2012. This is your club, stay informed, be involved. A complete report on the Mid-Winter IBT will be included in the next Region newsletter.

Also be sure to **mark your calendars** when the following mid-winter IBT meeting comes to Region 12. It will be held at the Colorado River Fairgrounds in Blythe, CA immediately preceding the Hobo Rally. The dates for the IBT will be 1/23/13 – 1/28/13 and the Hobo Rally will be 1/28/13 – 2/3/13. If you've never had the chance to drive the distance to a mid-winter IBT meeting, be sure to make it in 2013. Our own Region 12 Don Clark will be the WBCCI International President.

### DENVER MOTION DEADLINE APPROACHES

May 20, 2012, is the deadline for submitting your unit's vote for the Denver Motion. As of October 6<sup>th</sup>, headquarters received a total of 22 votes... 15 for and 5 against. My thanks to Region 12 units who voted by that date, Northern California and South Coast California. If your unit has submitted since then, I also thank you. There is still plenty of time for the rest of our units.

### Some helpful suggestions

- Always put the rally site street address on your rally schedule so people can use their GPS to help locate the rally site.
- For those who do not have GPS or the access to the internet it might be helpful to put directions to the rally on the information sheet for the rally
- **Safety Issue - Do not talk to friends while they are hooking up. Most folks have a certain routine while hooking up and a distraction such as conversation with a friend might cause them to forget something important!**

# RALLY COMING UP

## Hobo Rally time

The Hobo Rally is fast approaching, and we have some duties that your past president has volunteered us to do. As a unit we are in charge of selling Ice cream bars. And we will be serving the Hobo stew on Saturday night. David Newport is constructing the Crowns and they will be beautiful again. He will also be leading the stew can construction this year. Jim Howard is doing the "Robert Newport Memorial Wheel Bearing" seminar and Adrian Thomas present his tire pressure seminar at the same time.

This is a laid back rally where you can do as much or as little as you desire. If visiting is your thing then you will have a good time. Indoor games, out door games, tours, dining out, water sports, you name it. It is there for you to enjoy.

**Come join us and have a good time.**

## Region 12 Rally 2011

The Region 12 Rally was held October 13–17, and was hosted by Santa Clara Unit under the capable leadership of Bob and Cecelia Stansbury, Region 12 2<sup>nd</sup> Vice President and Region 12 Secretary. The Rally ran smoothly because of their very detailed organization. The weather cooperated and was unbelievably great.

The location was Jackson Rancheria RV Park in Jackson, CA, in the historic foothills of the majestic California Sierra Mountains. The RV Park is owned and maintained by the Jackson Rancheria Band of Miwuk Indians. On the property are also a first class casino, hotel, fire department, general store and gas station. Meals were served at the RV park club house and evening entertainment was in the ballroom of the hotel. Shuttles ran often from the RV park to the Casino/Hotel about a mile away. There was also parking for those who chose to drive.

As is common at WBCCI rallies, we were well fed. We were served dinner by the Long Beach Unit on the first date of the rally and another dinner on Saturday that was cooked and served by the Santa Clara Unit. The Northern California Unit provided us with a pancake breakfast. The Region 12 officers cooked and served another breakfast to the members. The Rancheria treated us to a hot dog lunch. Lots of Yummy food!

Many seminars were provided and were well attended. One seminar was the Gadget Gal Quilting Demonstration led by nationally known quilter Anelie Belden, author of 'Thoroughly Modern Dresden'. Following Anelie was Jackson's "Biggest Little Kitchen Store" Demonstration which prompted many of our members to visit their store and carry home all sorts of treasures. Eric McHenry, Santa Clara Unit member, gave two very informative seminars, Technology on the Road, about how to stay connected while traveling with information about using Wi-Fi, 3G/4G cellular services, smart phones, I-Pads, lap tops, net books and all other devices. You can check out his information on <https://picasaweb.google.com/108641841491326990965/TechnologyOnTheRoadPresentation#>. A Trailer Maintenance Seminar/Round Table Discussion was led by Jack Hampel, also with the Santa Clara Unit.

The rally entertainment was top notch and all the entertainers were from Amador County. The first night of the rally we were treated to an animated movie, which had a flamingo as a main character, and popcorn. On Friday night we enjoyed the antics of Todd Paul, a Las Vegas comedian and magician. The Speak Eazy Jazz Orchestra from Amador County was enjoyed by all on Saturday and Sunday we were treated to the musical trio of Over the Edge. Our hosts gathered many door prizes for us and we were all anxious hoping to hear our name called next.

Tours included the Black Chasm mine, Amador Flower farm, Shenandoah Valley Wineries and downtown Jackson. A shotgun shoot was held in Buena Vista. Mace Meadows was the location of a golf tournament.

Folks also stayed in the club house and participated in games such as Joker, Rummikub, Cribbage and Mexican Train for awards and others played informal games. Connie Squires, Santa Clara Unit, led an Arts and Crafts activity. Ernie and Dot Farinha led the Swap 'N Sell which is always a crowd pleaser. Continued on pg 7

## Region Rally Report Cntd

Wally's creed for the club is "leave every place you visit better than you found it". This prompted us to get involved with the Interfaith food bank. Kia Johnson, from the Santa Clara Unit, made a fabulous "Airstream" quilt to donate as a raffle prize. We raised \$1,120 from ticket sales for the food bank. The Jackson Chamber got involved and kicked in over \$2700. New Golden West Unit members, Roger and Roberta Peeples from the Golden West Unit, were thrilled with their first rally because they won the coveted quilt and we'll probably see them again. We are proud to have helped the Jackson community.

We hope to return to the Jackson RV Park in the future for another region rally. All of our units put on great rallies and this was certainly among the best, and don't forget to visit a rally close to you during this upcoming year. Our attendees make our rallies what they are so we thank you for attending. If you weren't there, you missed a great time of fun, fellowship and adventure.

We now turn our attention to next year's region rally at the Bakersfield RV Resort in Bakersfield, hosted by the San Joaquin Unit under the leadership of Ross and Linda Bauer October 15 – 22, 2012. Please mark your calendars and we hope to see you there.

## In Memoriam:

It is with great sadness that we have been notified that San Fernando Valley CA Unit member Conrad Liberty passed away at approximately 5 pm on October 17, 2011. The family expresses its thanks for all the well wishes and prayers and support

## In Memoriam

It is with heavy hearts that we must inform you of the passing of David Putnam. He attended our rally (SKP's) at Paso Robles, two weeks ago, but could only stay a day as his rig was being repaired. Lately he had struggled with the double whammy of diabetes and shingles. He told us on that Wednesday that the Doctors were having trouble regulating his diabetes medication. We had been trying to reach him since last Thursday, with calls to both cell and home phones and messages on his computer, but to no avail, so he probably slipped away previous to that time. After having no success reaching him we even called all the hospitals in the Fresno area, and were somewhat relieved that he wasn't there, until the phone call an hour ago. He was found just 2 days ago when neighbors noticed his cars weren't moved, nor had they seen him. He was in bed, so must have just slipped away..... We will miss him. Hugs, Babs and Chuck Stimmel

## Pet Camper

The Airstream revival is complete. Now, even your little diva can feel like canine celebrity when you pull one of these onto the set. A great novelty idea from Straight Line Designs, the pet Airstream camper is made of aluminum, stainless & fiberglass with dimensions of 41"W x 21"H x 19"D. Sized perfectly for small dogs with huge egos.

*55th International Rally*

*June 28– July 4, 2012*

*Sedalia, Missouri*

Mark your calendars for the 2012 International Rally in Sedalia, Missouri. Sedalia is located 30 miles south of the Missouri River in Pettis County, Missouri. U.S. Hwy 50 and 65 intersect the city. There are lots of interesting things to see and do in and around Sedalia. Kansas City and Branson are both close enough for a day trip or a stopover. Sedalia achieved fame as a railroad town and the gateway to the west as the Pacific Railroad arrived in Sedalia.

Remember that Missouri is the “**SHOW ME**” state. Please join your fellow Airstreamers and let Missouri show us what they have to offer!

President Barry Heckenswiler and First Lady Lesley have worked very hard to make Sedalia a great International Rally.

Let's all support our new President and First Lady and plan on attending the 55th International Rally!

## Region 12 General Meeting

The annual Region 12 General Meeting was held in the Ballroom of the Jackson Rancheria Hotel in Jackson, CA. Ten of our twelve units were represented at the meeting. Everyone was allowed time to speak.

Under Old Business Tom Smithson stressed the importance of the unit's distributing the Denver motion to its members and getting the vote for that motion submitted by every unit.

The following motions were approved:

Region 12 will provide a monetary subsidy toward the cost of the Region 12 Breakfast at each International Rally as long as Region 12 net assets remain above \$10,000. This monetary subsidy shall not exceed the limit of \$750. In addition, the Region will supply a breakfast free of charge at each Region 12 Rally as long as Region 12 net assets remain above \$10,000. This monetary subsidy shall not exceed \$5 per registered attendee or \$1,000, whichever is lowest.

A travel allowance for the Region 12 1<sup>st</sup> Vice President will be established for travel to the 2012 Mid-Winter Rally and IBT Meeting in Hattiesburg, MS. All reimbursable expenses shall conform to the WBCCI Blue Book Bylaws and Policy, Page 35.2, Policy, Financial Disbursements, Paragraph 1, with an amount not to exceed \$1,500. This allowance, if passed, would apply to either ground or air transportation. This allowance would be limited to the 2012 Mid-Winter Rally and IBT Meeting in Hattiesburg, MS. If the Region 12 1<sup>st</sup> Vice President is unable to attend, this money will be available for use by the Region 12 2<sup>nd</sup> Vice President.

Region 12 Policy #3, Paragraph 1, second sentence, changed "thirty (30) days" for the annual meeting agenda, motions and prior year minutes will be sent to all unit presidents to "forty-five (45) days or by August 31<sup>st</sup>, whichever is earlier." (Note: this allows more time for the units to discuss the motions with their members.)

The final motion #4 had quite a few housekeeping changes but the main idea of the motion was that Region 12 will guarantee the Sponsor (hosting unit) a minimum of \$1,000 from the rally net income. If this amount is not achieved, Region 12 will subsidize up to a maximum of \$1,000 to be disbursed to the Sponsor for its efforts. The Sponsor shall have its rally budget reviewed throughout the planning process by the Region President to minimize any possible losses. If a loss occurs, refer to paragraph #8." (Note: Paragraph #8 states that a loss will be the responsibility of the region.)

President Bechthold introduced Don Clark, International 1<sup>st</sup> Vice President and his First Lady, Jan Clark, and John Boutwell, International 2<sup>nd</sup> Vice President.

## Two California Parks to Close Down Permanently

Posted By [RV Business](#) On October 4, 2011 @ 11:38 am In [Breaking News](#) | [No Comments](#)

With no advance warning, California's Palomar Mountain State Park's two campgrounds were closed to the public Sunday and, according to the park's superintendent, are not scheduled to reopen because of the state's budget problems.

A news release issued Monday (Oct. 3) said "due to severe budget restrictions, seasonal service reductions begin Oct. 2, 2011, at two California State Parks," according to a report by the *San Diego Union-Tribune*. The park's website says the campgrounds are not scheduled to reopen.

The release also said the Green Valley Campground and the Granite Springs Environmental Campground at Cuyamaca Rancho State Park are now closed. However that park's website says they will reopen July 1. The Paso Picacho Campground at the park will remain open for camping and day use.

"It's been really hard," Nedra Martinez, the superintendent for both Palomar and Cuyamaca Rancho, said Monday evening.

She said campers Sunday were told they had to leave, and the state's reservation contractor started calling people last week with the bad news that their reservations for the coming fall and spring could not be honored.

"It's just really sad," Martinez said. "People have been calling me all week about the family trips they had planned."

Martinez said until recently she thought enough funding had been found to keep the Palomar campgrounds open until November and then to reopen them in the spring. But the funding fell through.

In the spring the state announced plans to close 70 parks beginning in the fall to cut \$11 million in fiscal 2012 and \$22 million the following fiscal year.
